

Dolphin Motorhomes, located in Bursledon, near Southampton has recently spent over £150,000.00 in the sales and servicing facilities at its site. They have increased the size of their sales display area and also added more customer parking spaces. They have improved the handover bay and customer waiting area too as well as giving their showroom a makeover. Want to know more then visit their web site at <http://www.dolphinmotorhomes.co.uk/>
